TERMINAL DISCLAIMER

Sir:

Your petitioner, tesa Aktiengesellschaft, of Hamburg, Germany represents that it is the 100% owner of the above-identified application by virtue of the assignment attached. Your petitioner hereby disclaims the terminal portion of any patent granted on the above-identified application which would extend beyond the expiration date of the full statutory term of any patent issuing from application Serial No. 10/816,277 and hereby agrees that any patent so granted on said above-identified application shall be enforceable only for and during such period that the legal title to said patent for said above-identified application shall be the same as the legal title to any patent issuing from application Serial No. 10/816,277, this agreement to run with any patent granted on said above-identified application and to be binding upon the grantee, its successors or assigns. ✓

Petitioner does not disclaim any terminal part of any patent granted on said above-identified application that would extend to the full statutory term as presently

ASSIGNMENT

In consideration of One Dollar (\$1.00) in hand paid and other good and valuable considerations, the receipt of which is hereby acknowledged, the undersigned [hereinafter (collectively) named "Assignor"] hereby assigns and transfers to

tesa Aktiengesellschaft
Quickbornstrasse 24
20253 Hamburg
Germany

, a German corporation (hereinafter named "Assignee"), its successors, legal representatives and assigns, the entire right, title and interest in and to Assignor's application for Letters Patent of the United States, Application Serial No. 10/813,195 filed on March 30, 2004, entitled

**REUSABLE ELASTIC ADHESIVE SHEET REDETACHABLE
WITHOUT RESIDUE OR DAMAGE**

and to Assignor's entire right, title and interest in any and all inventions, whether joint or sole, disclosed in said application for Letters Patent, and in any and all divisional or continuation or renewal applications that may be filed for United States Letters Patent for any and all of said inventions, and in and to any and all patents that may be granted on the foregoing applications and any reissue or extension thereof.

The Assignor hereby authorizes and requests the Commissioner of Patents to issue any and all of said Letters Patent to said Assignee.

For said consideration, the Assignor hereby agrees upon the request of said Assignee, its successors, legal representatives or assigns, to execute any and all United States divisional, continuation and renewal applications for said invention, and any and all necessary oaths, supplemental oaths or declarations or supplemental declarations or affidavits relating thereto, and any application for the reissue or extension of any United States Letters Patent that may be granted upon said application that said Assignee, its successors, legal representatives or assigns may deem necessary or expedient.

For the said consideration the Assignor further agrees upon the request of said Assignee, its successors, legal representatives or assigns, in the event of said application or any division thereof, or Letters Patent issued thereon or any reissue or application for the reissue thereof, becoming involved in interference, to cooperate to the best of the ability of the Assignor with said Assignee, its successors, legal representatives or assigns in the matters of preparing and executing the Preliminary Statement and giving and producing evidence in support thereof, the Assignor hereby agreeing to perform upon such request, any and all affirmative acts necessary to obtain said Letters Patent and vest all rights therein hereby conveyed in said Assignee, its
